

4 A's - Ambition, Attitude, Attention, Achievement

Course Portfolio

Project to record Personal Goals (and reasons for them), learning log, record of work done, in-between session tasks, Progress and Achievements.

Portfolio to be created by learner using preferred media... possibly a combination of writing, drawing, photographs, collage, sound recording or video diaries, instagram, internet links... which will build up to show what has been learned and, hopefully, how it could be used.
